Dear Ms. Sudan,

As you may be aware, National Anti Doping Agency (NADA) is an autonomous body under the Ministry of Sports, Govt of India. NADA is responsible for promoting, coordinating, and monitoring the doping control program in sports in all its forms in the country.

In this connection, NADA collects dope samples (both urine & blood) during various National/International competitions and also out of competition i.e. athletes homes, training camps etc. NADA has empaneled sample collection personnel (i.e. Doping Control Officers (DCO), Blood Collection Officers (BCO) & Chaperones) all across India for the mentioned purpose.

In order to strengthen our anti doping program, NADA is in the process of empanelment of DCOs, BCOs & Chaperones all across India on part-time basis who shall be deployed on need-basis when required. Preference is given to candidates working in Central/State Govt Organizations and Central/State autonomous bodies/undertakings.

In view of the above you are requested to kindly issue necessary instructions to your subordinate formations to send nominations of interested candidates having requisite qualifications to NADA Office as per office order attached.

With regards

Yours sincerely,

(Navin Agarwal)
