Dated 11/11/2021

OFFICE ORDER

Subject: Training on Basic Life Support/ First Aid.

Emergency medical condition spans from Acute Myocardial Infarction, Stroke to Drowning, Poisoning and Injury. For mitigating the impact, it is necessary to train common people in initial management of common emergencies. However, in India, there is no such structural training program for common people.

Therefore, Dte.GHS is organizing a series two-days trainings (6-8 hours per day) on Basic Life Support/ First Aid. The tentative date for the first batch would be in the last week of November, 2021.

You are requested to nominate officers for the said training and send the list to the undersigned by 20th November, 2021.

This issues with the approval of competent authority.
